**Executive Director Search – Non-profit Environmental Organization**

***Love Music? Concerned About the Environment?***

**Rock the Earth** is a 501 (c)(3) environmental organization dedicated to protecting and defending America’s natural resources through partnerships with the music industry.

We are seeking an Executive Director to further advance our rapidly growing organization.

General responsibilities include:

- Working with musicians, band managers, music industry representatives, and fans to expand outreach and build community;
- Traveling with summer music tours to manage outreach activities, artist relationships, and volunteers;
- Representing Rock the Earth at music industry events and with the media;
- Identifying significant environmental issues for review by the Rock the Earth legal and technical team and assist in completion of substantive projects;
- Oversee and manage litigation matters;
- Managing Rock the Earth to achieve long-term sustainable growth;
- Oversee and guide Volunteer Staff of 25 to accomplish mission and further goals of organization; and
- Be a visionary for an exciting, fast-paced non-profit that strives to be *the* primary environmental advocacy organization to work with the music industry.

A more detailed position description can be reviewed at:
